

## KCKPL Exhibit Space Specifications

### **Main Library—625 Minnesota Avenue**

The exhibit space at the Main Library is located in the east reference room on the first floor. The space consists of the east brick wall fitted with a picture rail about 10' from the floor. Rods 6' long with adjustable plates to accommodate picture wire make up the hanging system. The space will accommodate pieces of greatly varying size. There are also two free-standing exhibit cases. The art space is near the café, which attracts many library patrons and nearby business people.

### **South Branch Library—3104 Strong Avenue**

The exhibit space at the South Library is located in the middle of the library. The space consists of an open gallery with 40 running feet. Natural and artificial lighting illuminates the space.

### **Mr. and Mrs. F.L. Schlagle Library—4051 West Drive, Wyandotte County Lake Park**

The exhibit space at the Mr. and Mrs. F.L. Schlagle Library is located across from the conference room on the upper level. The space consists of a long wall and is lit by track lighting. It will accommodate 10-12 pieces not exceeding 18" X 24".

### **West Wyandotte Library—1737 N. 82<sup>nd</sup> Street**

The exhibit space at the West Wyandotte Library is located on the first floor of the facility. The space consists of two main exhibit areas: the **Fine Arts Gallery** and the **Foyer Exhibit Cases**. All exhibit cases lock.

- **The Fine Arts Gallery** consists of three wall areas: the east wall is 24' wide by 7'6" high. The south wall is 24' wide by 7'6" high and the west wall is 17' wide by 7'6" high. All of this space is well lit by track lighting. The remaining gallery wall space consists of the west wall—divided into two sections by alcove seating—each measuring 18' wide by 7'6" high. Excellent natural and artificial lighting illuminates the gallery space.

In addition the gallery consists of an exhibit case 10' wide and 4'10" high. It is divided into three sections: the left and right sections are 4'10" high by 34" wide and 25" deep. The center section is 4'10" high, 46" wide and 25" deep. The exhibit case is well lit and has adjustable glass shelves.

- **The Foyer Exhibit Case** is 13'10" wide and 4'10" high. It is divided into three sections: the left and right sections are 4'10" high, 46" wide and 25" deep. The center section is 4'10" high, 70" wide and 25" deep. The exhibit case is well lit and has adjustable glass shelves.

In addition to the foyer cases, there are two pedestal cases located in the foyer. They measure 28" wide and 28" deep and 18" high. Each case sits on a base 32" high. They are well lit and the covers are made of Plexiglas.

### **Turner Community Library—831 S. 55<sup>th</sup> Street (inside the Arthur C. Waugh Community Center)**

The exhibit space at the Turner Library consists of a locking display case in the hallway just outside the library. The case is approximately 12' long and 4' high with four (4) adjustable shelves. The Turner Community Library is located inside the Arthur C. Waugh Community Center at 831 S. 55<sup>th</sup> Street, Kansas City, KS.
